Falls Church, VA 22034

Ref: Ride-On Tire Protection System

Alban Tire Corporation has been in business for over 20 years. Many "Tire Flat Proof" products have come and gone in the market place. Having sold and installed the Ride-On products for about 9 months, great results have been achieved. Not only with mowing equipment, but also with tractors, backhoes, trash trucks, bobcats, and many other type of equipment.

Alban Tire are very pleased and so are our customers, with the Ride-On Tire Protection System.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard W. Daugherty', with a large, stylized flourish extending to the right.

Richard W. Daugherty
General Manager
