

NEW HORIZON ROOFING

TO: Gary Elliott, R.O.C. Technologies

DATE: Sept. 9/98

FROM: Murray Stewart

Just a note to let you know that we appreciate the introduction to the Ride-On Tire Protection System.

We have been used to 1-2 flat tires per week, as our disposal trailers are in regional transfer stations and landfills daily. However, since we had our tires protected with Ride-On back in July, we have yet to have a repair, let alone a flat tire.

Thanks, Gary.
